Our business web package includes

A strong foundation for your business

PREMIUM DESIGN & BUILD

Suits clients looking for a custom professional website development solution. We strive to deliver premium quality work in all of our projects.

LOOKS AND WORKS

Your website is designed to match your business branding and colours thus establishing a strong foundation for your business.

FREE INITIAL SEO

Search engine optimisation (SEO) is an important necessity in keeping your website on top on search engines including Google, Bing etc. Your website package includes the initial SEO on website pages and meta-tags.

COMPETITOR RESEARCH

We research your competitors on Google within the your required market to identify how to optimally place your website so your business will have the best foundation.

CONTENT STRATEGY

We work with you to define the best strategy for content (images and text) for all pages on your website. Our integrated AI tools help us re-write and re-word the content you want to fit the style and narrative that you desire.

PROVEN STORE TECHNOLOGY

We use premium platforms & hosting architectures. Your website can be curated on multiple proven commercial platforms such as Wordpress, Magento or Shopify.

Our business web package includes

YOU CAN UPDATE YOUR WEBSITE

We can setup your new website as a Wordpress website. This allows you to securely make updates to the website once it is completed. However we are available if you require any help from our experts.

GOOGLE ANALYTICS

Proper setup and integration of Google analytics is a must for any business! We will setup Google analytics and integrate to your new website so you can keep a track of your visitors, areas for improvements and search for Google marketing opportunities.

SITE TOOLS

Wordpress websites allow for a bunch of free-tools and plugins including site backups, data forms, image carousals & banners etc.

PREMIUM THEMES

We only use premium themes. We research what looks best and that matches with your branding and business.

OR: FULLY CUSTOM WEBSITE

Alternatively you can go down the full custom route where we setup a fully-custom website using Microsoft technologies. However Custom websites do not provide self content updating tools as Wordpress or Shopify would do.

03 MONTHS INCLUDED UPDATES

We will look after your store and perform any content updates required at no extra charge for 03 months after site launch. This includes content and plugin updates, etc.

Our business web package includes

FREE DOMAIN NAME

We will register a domain name as part of the package. This will all be done under your name guaranteeing total IP and ownership to you right from the start. However we will require your assistance in selecting the best domain name for your business.

EMAIL SETUP

We will setup professional email accounts for your store on your selected domain name including email signatures.

SOCIAL MEDIA SETUP

We will assist you in setting up your business social media pages. Once setup, we will integrate your social media accounts (FB pixel etc.) on your website.

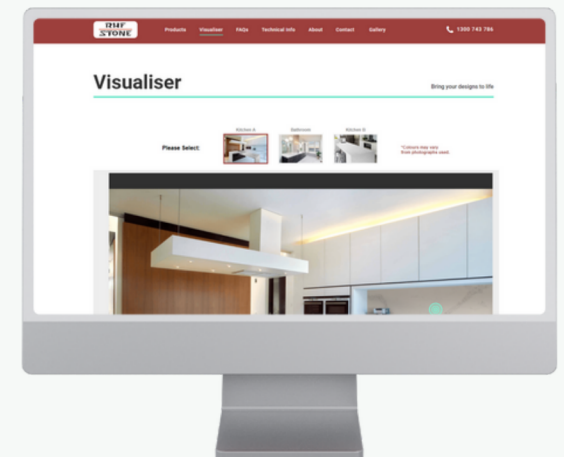

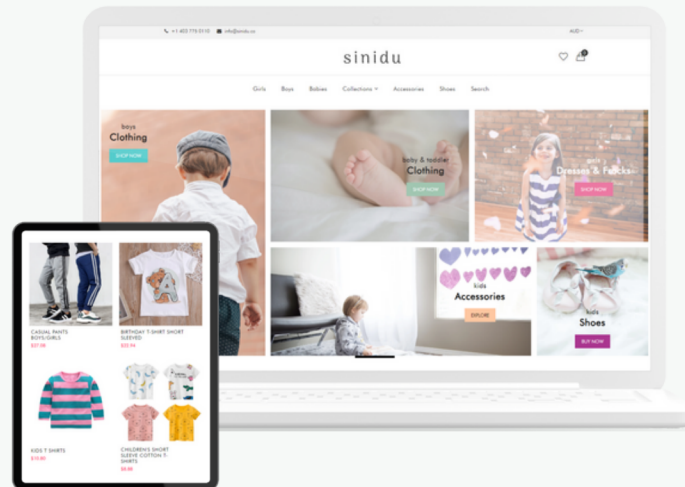

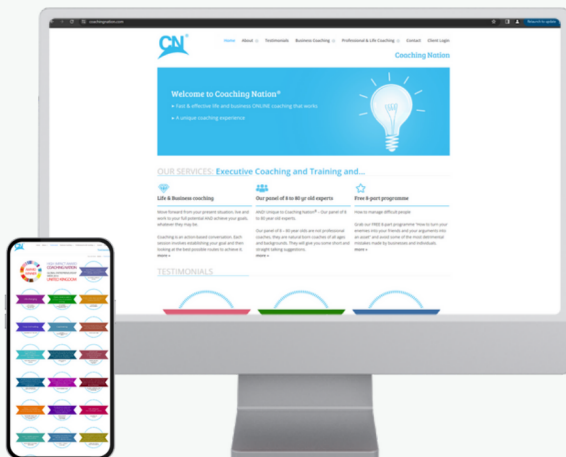

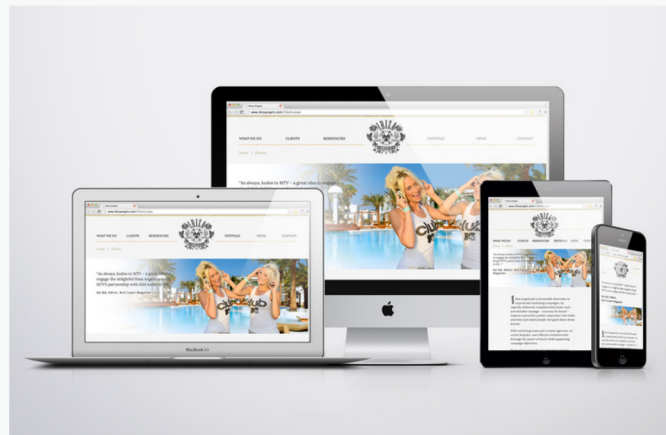

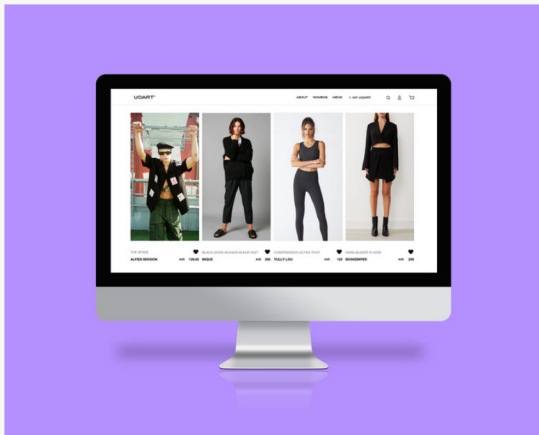

INCLUSIONS IN THE PACKAGE:

The following come included:

- Site design & development
- 10 web pages
- 02 landing pages
- Content design – images & text
- Custom menu structure
- Desktop, Mobile & tablet optimised
- Google analytics setup

DISCLAIMER & NOTICE

An investment in any business is subject to known or unknown risks, some of which are beyond control due to various seen and unforeseen concerns. GreyTeak and its associates, subsidiaries and agents ("the Company") cannot and does not guarantee any rate of return of the performance of your store nor does it guarantee any tax treatment. Recipients of this proposal should have regard to the risk factors outlined in this Memorandum when making your investment decision.

The Information provided herein may contain estimates, forecasts and other forward-looking information including indicative return on investment estimates (together, the Estimates and Forecasts). Matters relating to performance of the proposed solutions are influenced by many factors. Accordingly, the Estimates and Forecasts are based on assumptions which are subject to significant uncertainties and contingencies, most of which are outside the control of the Company. No representation, warranty or guarantee, whether express or implied, is made or given that any Estimate or Forecast contained in the Information that is delivered to you by the Company either via the content of this proposal or verbally by the sales advisor or by any other means will be achieved and actual future results may vary significantly from the Estimates and Forecasts and the assumptions on which the Estimates and Forecasts are based.

This Memorandum is provided on the express basis that Recipients will carry out their own independent inquiries and investigations into, and independent assessment and review of, the Information, including the Estimates and Forecasts and will make its own independent decisions regarding its interest in the proposed solution and / or the offering.

The Company does not accept any responsibility for any inference, interpretation, opinion or conclusion that Recipients may draw or form from the Information or which may otherwise be based on or arise from the Information, or any errors or omissions affecting the Information.

Each Recipient acknowledges and agrees, except as may be expressly provided in an agreement in writing between the Company and the Recipient that:

- to the maximum extent permitted by law, no liability is accepted by the Company for any loss or damage (whether foreseeable or not) that may arise by reason of or in connection with the provision of the Information or by the purported reliance on the Information by the Recipient;
- it releases and indemnifies the Company from and against all claims, actions, damages, remedies or other matters, whether in tort, contract or under law or otherwise, arising from or which hereafter may arise from or in connection with the provision of, or any purported reliance on, the Information, and it covenants that no claim or allegations shall be made against the Company in relation to the Information; and
- it expressly waives any right which it may have to rely upon the Information, and that it will not rely upon the Information to sue or to hold the Company liable in any respect. This Memorandum does not purport to provide information beyond that which is contained in this Memorandum and makes no recommendations regarding an investment(s), and specifically does not constitute:

- > Accounting advice;
- > Taxation advice;
- > Financial advice and investment advice;
- > Legal advice; and
- > Audit services.
